

Hello to all of our membership:

I hope all of you are staying at home and giving the refrigerator a 6 foot berth. Jan and I are still making a trip to town everyday to feed the animals but other than that, we are practicing safe guidelines.

The board had a very successful meeting last night. It was a test meeting on Zoom to see if we might entertain a SLO Vettes monthly meeting on the internet. It was very successful.

So, we are announcing a SLO Vettes general meeting April 10th on the internet.

Click on this url and follow the instructions. If prompted about audio and/or video, always click on the yes prompt.

The meeting will start at 6:30 PM. We encourage you to log on at 6:00 PM. We figure it will take 30 minutes for everyone to work out the bugs.

Questions: Should you have any questions or trouble logging in, please call Russ 805 610-0931.

Best,

Jon Dallons  
President  
SLO Vettes
