# Win a New C8 - Sign up for the Mystery Tour!

Esteemed Colleagues, now that we've got your attention, let me assure you that if it were within our limited budget we would offer a new C8 as a prize, probably to the winner of the scavenger hunt but, alas, our current budget is approximately \$67,000 short. That said, it is still possible for you to sign-up for what we believe will be a delightful weekend of driving our cars, sampling the cuisine in new places, meeting new people, and generally having fun. We have three rooms left. They are on the second floor and share two full bathrooms also on the second floor. They have been discounted \$50 to make up for the inconvenience of not having a bath *en suite* and are eagerly awaiting your arrival. Sadly, we have to put a deadline on joining the 2019 Mystery Tour, so if you have not signed up and given your deposit of \$250 to Jan Dallons by the end of Saturday, August 31, I'm afraid you'll be left behind as we head out Friday morning, September 27 for adventures yet unknown. Don't suffer from regret, let your spirit run free and try a little "mystery" in your life.
