

# Multi Club Rally

## Hosted by SLO Vettes

**When:**

**June 20th & 21st, 2025**

**What:** A two day multi Corvette Club gathering for fun runs and great activities.

### **Details:**

Day 1, Friday June 20th. A favorite run for any Corvette owner up highway 1 to Ragged Point for a great lunch at The Restaurant at Ragged Point. June should be great weather and awesome sights along the way. After lunch you are on free time to enjoy the Central Coast.

For those who will be departing in North County (Paso Robles) departure will be from Cider Creek Bakery (205 Oak Hill Road) at 10:00 am.

For those departing in South County departure will be from the smoke stacks in Morry Bay at 10:00 am

Both groups will meet up in Cambria at the parking lot on the corner of Cambria Dr and Main street. From there we will depart at 11:30 for the run to Ragged Point.

Day 2, Saturday June 21st. Back by popular demand, we are off for a train ride. We will be heading to the Norgrove Train Station in Arroyo Grande.

Saturday Morning gathering point will be at Pismo Beach at 867 Oak Park Drive. Every Saturday Morning cars from around the area come to gather here. If you want to come early and check out the local cars they start arriving at 7:00 am. The local doughnut shop will be open for a bite to eat. Otherwise arrive before our departure time of 9:45 am.

Leaving Pismo we will take a short ride following Peter in his restored Fire Truck to the Norgrove Train Station. The Train event is \$20 per person (may be less if we have at least 30 people). There you can tour the garages where the trains are built as well as take a ride around the property and tour the vineyards. Lots to see here and of course wine for sale. Once everyone has their fill of trains and wine, we will head over to Old Juan's Cantina in Oceano for lunch.

Please RSVP for each day by calling, text or email to Bob Furster 805-441-4259 (ososbob@charter.net) or text Harold Davis 805-441-9579.
