

PRESIDENTS MESSAGE

Al Sawadon

Next Meeting at Templeton Park

Reminder our next meeting is at 6:00 PM, Friday, July 11th, at Templeton Park. Richard Reif will cook the BBQ. I will be on vacation in Oregon; our Vice President, Don Kirkby will be in charge of the meeting. It will be a great meeting and I am sorry that I will miss it. Please mark your calendars and enjoy the fun at the Park.

“A Day at the Lake” was a success

I am confident that the members who were able to attend our Lake event enjoyed themselves. Two things are certain. 1) no one left thirsty 2) no one left hungry. I want to personally thank all of you who made the day possible. A special thank you to Karl Williams. That man can BBQ and he is truly “our BBQ King”. Our thanks to Dick & Jerry Hart and to Rich & Becky Reif who opened their lake houses to us. The food was great and the hospitality was second to none. Brian and Becky were also part of our committee, donated their boat and contributed to this special weekend. Chris and Glenna Petrush also provided a boat and please al-

low me to give a special tribute to my wife Paula who provides me with so much help and support. The camaraderie and friendly atmosphere made the whole experience a day we will long remember. We proved once again that Corvette people know how to have fun on and off the water.

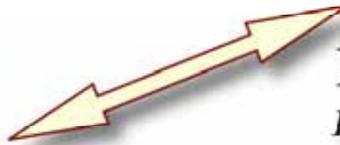

4th of July Parade - a must go event

This is our opportunity to show off our beautiful cars. Decorate your car with flags and patriotic signs and help celebrate America’s Birthday. Each year, I really like the feeling this parade gives me. It is very special to experience that small town atmosphere and the streets lined with folks who are truly enjoying the moment and the celebration of “The Birth of our Country”. Let’s shine up our cars and be a part of it. As a side note, most of you know that I came to America in my teens and I have traveled to many countries. In my opinion, America is by far the most wonderful country in the world. Let us take this opportunity, show our pride and join us in celebrating the 4th of July in Templeton.

This little Chevy The 789

This car was built by N2A Motors (No Two Alike). Cost is \$40,000 over the cost of a new Corvette C6 MSRP \$44,000). Unbelievable! The company is planning a production run of about 100 vehicles. It sits on a Corvette C6 chassis, front styled like a 57 Chevy, side like a 58, rear like a 59. Hence the designation "789".

HOW DO YOU DECIDE WHOM TO MARRY? (written by kids)

You got to find somebody who likes the same stuff. Like, if you like sports, she should like it that you like sports, and she should keep the chips and dip coming.
Alan, age 10

No person really decides before they grow up who they're going to marry. God decides it all way before, and you get to find out later who you're stuck with. --
Kristen, age 10

WHAT IS THE RIGHT AGE TO GET MARRIED? Twenty-three is the best age because you know the person FOREVER by then. --
Camille, age 10

HOW CAN A STRANGER TELL IF TWO PEOPLE ARE MARRIED? You might have to guess, based on whether they seem to be yelling at the same kids. -- Derrick, age 8

WHAT DO YOU THINK YOUR MOM AND DAD HAVE IN COMMON? Both don't want any more kids. -- Lori, age 8

WHAT DO MOST PEOPLE DO ON A DATE? Dates are for having fun, and people should use them to get to know each other. Even boys have something to say if you listen long enough.
Lynnette, age 8 (isn't she a treasure)

On the first date, they just tell each other lies and that usually gets them interested enough to go for a second date. -- Martin, age 10

WHAT WOULD YOU DO ON A FIRST DATE THAT WAS TURNING SOUR?
I'd run home and play dead. The next day I would call all the newspapers and make sure they wrote about me in all the dead columns. -- Craig, age 9

WHEN IS IT OKAY TO KISS SOMEONE? When they're rich.
Pam, age 7

The law says you have to be eighteen, so I wouldn't want to mess with that. - - Curt, age 7

The rule goes like this: If you kiss someone, then you should marry them and have kids with them. It's the right thing to do. -- Howard, age 8

IS IT BETTER TO BE SINGLE OR MARRIED? It's better for girls to be single but not for boys. Boys need someone to clean up after them. -- Anita, age 9 (bless you child)

HOW WOULD THE WORLD BE DIFFERENT IF PEOPLE DIDN'T GET MARRIED? There sure would be a lot of kids to explain, wouldn't there? -- Kelvin, age 8

And the #1 Favorite is.... **HOW WOULD YOU MAKE A MARRIAGE WORK?** Tell your wife that she looks pretty, even if she looks like a dump truck. -- Ricky, age 10

DAY AT THE LAKE

Sat. June 28th. was our day at the lake, we had 28 members show up for a fun day of boating eating and drinking.

I want to thank the Hart's, the Sauvadon's, and the Reif's for hosting the event, and opening up their cabins to us. I also want to thank the Stone's, the William's, and the Ramo's for helping also.

I believe everyone had a good time. It was good to see some different members there that don't normally attend this type of event, and it was real nice to see our new members the King's show up to the event.

Hope to see you at the next event.
Brian.

A man decided that he was going to ride a 10-speed bike from Phoenix to Flagstaff. He got as far as Black Canyon City before the mountains became just too much and he could go no further. He stuck his thumb out, but after 3 hours, he hadn't gotten a single person to stop. Finally, a guy in a Corvette pulled over and offered him a ride. Of course, the bike wouldn't fit in the car. The corvette owner found a piece of rope lying by the highway and tied it to his bumper. He tied the other end to the bike and told the man that if he was going to fast, to honk the horn on his bike and he would slow down.

Everything went fine for the first 30 miles. Suddenly, another Corvette blew past them. Not to be outdone, the Corvette pulling the bike took off after the other. A short distance down the road, the Corvettes, both going well over 120 mph, blew through a speed trap.

The police officer noted the speed from his radar gun and radio to the other officer that he has two Corvettes headed his way at over 120 mph. HE then relayed, "... and you're not going to believe this, but there's a guy on a 10-speed bike honking to pass!"

A man goes out and buys a new Vette convertible. One night he takes it out for a spin, and stops at a red light. An old man pulls up next to him riding a mo-ped. The old man looks over the Vette and says, "What kind of car ya got there sonny?" The man replies, "It's a 2000 Corvette, the best sports car in the USA; it cost me over \$50,000."

"That's a lot of money" says the old man. "Why do they cost so much?" The man answers, "Because they can go 170 miles an hour!" The old man pokes his head in the window and looks around. Leaning back on his mo-ped, the old man says, "That's a pretty nice car all right!"

Just then the light changes, so the guy decides to show the old man what the car can do. He floors it, and in a few seconds the speedo reads 120 MPH. Suddenly he notices a dot in his rear view mirror that seems to be catching up to him. Afraid it might be a cop, he slows down to 65 and suddenly whhhooooosshh! Something whips by him going much faster!

"What on earth could be going faster than this Vette?" the man asks himself. Then, ahead of him, he sees a dot coming towards him. Whhooooosshh! It goes by again, heading the opposite direction! And it sorta looked like the old man on the mo-ped! "Couldn't be," thinks the guy. "How could a mo-ped outrun a Vette?"

Then again he sees a dot in his rear view mirror! Whhooooosshh - Blam! It plows into the back of the Vette! The man jumps out. It is the old man! Of course, the mo-ped and the old man are in a world of hurt. The guy runs up to the old man and cries, "You're hurt bad! Is there anything I can do for you?"

The old man groans and replies, "Yes, could you please unhook my suspenders from your side mirror?"

Arroyo Grande Valley Car Sho

July 26, 2008

Last Saturday in July — One of the largest car shows on the Central Coast draws enthusiasts from around the state!

Hundreds of cars, including everything from hot rods, muscle cars and trucks to motorcycles and vintage trailers fill the Village for the Annual Arroyo Grande Car Sho (yes, it's spelled 'Sho').

Cars are on display throughout the Village. Activities take place around the gazebo. A Best in Show, Major's and President's trophy are awarded along with dozens of others for various categories.

The show is a fund-raiser presented by the Arroyo Valley Car Club, although no admission is charged for the public. Proceeds from entry fees, a raffle and other activities are donated by the club to help charitable organizations in the South County.

Contact Linda Aiello-Madison from the Arroyo Valley Car Club at (805) 489-9195 or linda@c21slo.com for more information.

Custom, classic, antique cars will fill Village

by Mike Hodgson, Times Press Recorder, 7/30/04

Up to 300 cars and trucks from the earliest days of motoring to 1982 will roll into the Village this weekend for the 15th annual Arroyo Grande Car Sho. Vehicle owners from all over California are expected for the event sponsored by the Arroyo Valley Car Club. "Three hundred is the maximum," said Linda Madison, club secretary and wife of club President Bill Madison. "Three hundred is the most we can handle on a good day. We like to keep it small, family-oriented." But small doesn't mean there will be any lack of quality, variety or unusual vehicles. Previous shows have drawn everything from 80-year-old flivvers with original paint and upholstery to hand-built slingshot dragsters fresh from the track to customized low-riders glistening with multiple layers of hand-rubbed lacquer.
