

# *SLO Vettes Toy Run*

*Sunday, November 6, 2022*

***Where:*** North County members can meet at the Santa Margarita Park & Ride at 12:15 PM for a departure at 12:40 sharp. South County members are welcome to join North County colleagues in Santa Margarita, or they may prefer to go directly to the CHP Headquarters, 675 California Blvd., in San Luis Obispo arriving at 1 PM.

***What to bring:*** At least one new toy in its original packaging (no gift wrapping). Lisa Ray, CEO of Children's Resource Network that distributes the gifts, recommends considering several smaller gifts in the \$5 to \$20 range to ensure that every child can have a gift. She also asks that we remember the older children between 12 and 15 who often are overlooked. Clothing is always a good bet for this age group, as are personal grooming items.

***After the gifting:*** We will head off to the SLO Brew Rock for lunch. The restaurant is located at 855 Aerovista Place in SLO. You can view the menu at <https://slobrew.com/the-rock> We will order off the menu and seating is available both indoors and outdoors on the patio.

*This is a wonderful opportunity to do something important for our community and we get to do something enjoyable for ourselves – shopping for children in need.*

***RSVP:*** to Bonnie Babineau at 805-550-7941 or [bjbabineau@yahoo.com](mailto:bjbabineau@yahoo.com) before November 1<sup>st</sup> so final arrangements can be made.
