

SLO Vette Rock N' Robles Run

Saturday, April 30, 2022

This SLO Vette Run will start in Paso Robles and wind us on the West side of town and through the back roads we all love so much. Ending up at Heritage Ranch, which is a 9,500 acre Gated Community along the shores of Lake Nacimiento. To get into the community, Lisa will need the name of each person in your vehicle, along with the license plate of the vehicle. After touring through the community, we will end up at Rock-N-Robles restaurant. Due to the strain of the pandemic and lack of work force available, we will need to pre-order our food. **To do this and keep it simple, please text Lisa at 805-400-9676 on Tuesday prior to this Event with your food order, name of all in your vehicle and the license number of the vehicle.** The order will be given to the restaurant on Thursday prior to going. They open at noon on Saturday and will start our orders right away. We will be able to sit in the confines of this restaurant. They have great inside and outdoor seating. Depending on weather, we will figure the "where" to sit when time gets closer. To see their menu go to www.rocknrobles.com
